Riding in on the “West Wind” and Straight Out of the ‘**805**’ comes –>

Zephyr Pilots is a Southern California four-piece rock band fueled by the energy of 90’s skate punk, fused with melodic feel and sensibilities of 70’s/80’s/90’s rock! With deep roots in SoCal’s DIY scene, Zephyr Pilots fuse their breakneck rhythms, melodic hooks, and LoTuned instrumental passages into a sound that is as nostalgic, as it is forward-thinking – Music made for **RIGHT NOW**.

Their music is equally built for sweaty club shows, skate parks, and big festival stages alike—raw energy balanced with BIG sound, and musicianship. Zephyr Pilots bridge the gap between rock-solid Punk foundation, and Rock precision. Their lyrics explore themes of Truth, Rebellion and Sarcasm required getting through THIS modern World.

Zephyr Pilots seek to FLY above the natural noise… and ZP's sound, feel and energy translates equally Live, or Recorded!

Zephyr Pilots is a Must-See-and Feel-Live Show.
